

Hello Fifth Grade!!!

This Summer I would like to help to keep your minds sharp by encouraging you to read! Please read for 20 minutes each day! I am requiring that you keep a reading log to help keep track of what you have read.

I have selected several great books for you to read this Summer. All of the books I have chosen are award winning books. Please choose two books to read from my list below. When you have completed your required two books, please continue reading this Summer with books that you can take Reading Counts quizzes on (the list is available on the PCRS website). This will give you a great start for your Reading Counts goals for next year!

- Please choose two books from the list below.
- Keep a reading log to document the amount of reading completed over the Summer which will need to be handed in on the first day of school.
- Write a summary (no less than three paragraphs) for each book to be handed in on the first day of school.
- Take the reading counts quiz for each book. (Quizzes are available on the PCRS website.)

When we return in September, we will begin working on a book report project from the Summer reading.

Happy Reading,

Miss Grimm

## Required Reading- Choose Two Books

**Walk Two Moons** by: Sharon Creech

**Frindle** by: Andrew Clements

**Dear Mr. Henshaw** by: Beverly Cleary

**Holes** by: Louis Sachar

**Island of the Blue Dolphins** by: Scott O'Dell

Name: \_\_\_\_\_ Date: \_\_\_\_\_
